

Dear Friends of Angelina College:

We are pleased to announce that the fifth annual "Dinner at the Diamond" will be held on Saturday, September 28, 2024. We are delighted to share that the 4th annual event in 2023 was a phenomenal success. With over 650 guests in attendance, we were thrilled to have raised over \$100,000 for the AC Foundation! We look forward to hosting the event again this Fall on the beautiful AC Poland Baseball Field at the Larry Phillips Family Sports Complex. Guests will again enjoy live music, a delicious meal, silent and live auctions, and a few new exciting additions as well.

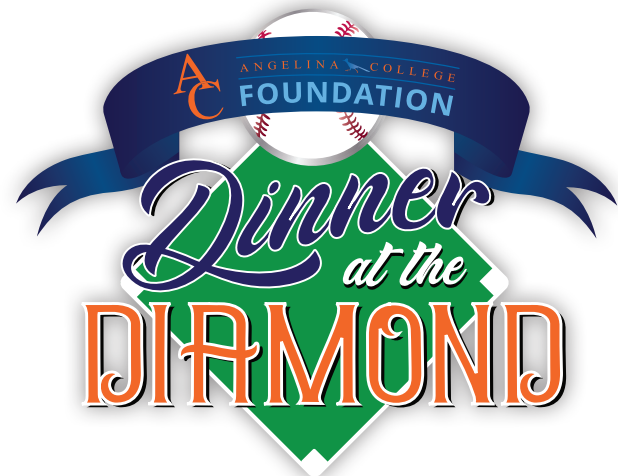

With the gracious support of community members and esteemed businesses like yours, we can further enhance the College's ability to provide quality educational opportunities and services to aid students in reaching their full potential. Our Dinner at the Diamond committee would love for you to be part of this year's exciting event! Your tax-deductible donation will play a vital role in empowering the success of our students.

With your support, we can make the 2024 Dinner at the Diamond an even greater success. Together, we can transform the lives of Angelina College students! We sincerely appreciate your commitment to making a meaningful difference and truly value your dedication to making a significant impact.

Thank you for making a difference.
