Dear Friends of the Angelina College Foundation,

Every day, Angelina College students are working toward brighter futures for themselves and their families. Many are balancing classes, careers, and family responsibilities while pursuing degrees, workforce certifications, and new opportunities. Thanks to the support of our community, those opportunities become possible.

We are honored to invite you to the 7th Annual Dinner at the Diamond on Saturday, September 26, 2026.

Last year, more than 750 community members gathered in support of student success and helped raise more than $100,000 for the Angelina College Foundation. Those funds provide educational resources, workforce training opportunities, and student support services that remove barriers and open doors for the students we serve.

The impact of that support extends far beyond our campus. As the only public 2 year college serving a 15-county region in Southeast Texas, Angelina College plays a vital role in strengthening our workforce, supporting local industries, and changing lives through education. According to an independent study by the Texas Comptroller of Public Accounts, Angelina College generates a $57.5 million economic impact across our region each year, an investment reflected in stronger families, skilled workers, and thriving communities.

This year, we look forward to welcoming you back to AC Poland Baseball Field at the Larry Phillips Family Sports Complex for an unforgettable evening featuring live music, a delicious meal, silent and live auctions, and a few exciting surprises.

Dinner at the Diamond is more than a fundraiser; it is a celebration of possibility. It is an opportunity for our community to come together and invest in students who are working hard to build better lives. Every sponsorship, donation, auction item, and ticket purchased helps students achieve their goals and create brighter futures for themselves, their families, and our region.

Thank you for your continued generosity, partnership, and belief in the mission of the Angelina College Foundation. We hope you will join us on September 26 as we celebrate the power of education and the lasting impact we can make together.

Changing lives. Strengthening communities. Creating opportunities. One student at a time.

With heartfelt gratitude,

Tre Luce
